

# Substantive Concepts in Geography

|           | EYFS  | KSI  | LKS2   | UKS2   |
|-----------|---|--|--|--|
| Country   | UK in the world                                     | UK/Africa<br>UK/Hot and Cold countries<br>UK/ Where does our food come from? Main countries.<br>UK/Local area<br>UK/Coast<br>UK/ Town/ city/ Village | The East Lancs<br>UK Discovery<br>Discovering Europe<br>Life across the Atlantic<br>North American Roadtrip<br>Extreme Earth | Mountains, Rivers and the water cycle- UK<br>Oceans- why are they so important- countries near the oceans<br>Time zones Voyage of the Beagle<br>countries across the world<br>Liverpool: A local city study<br>Sustainable Forestry- World countries<br>Global Caretakers- world countries |
| County    | Houses and homes- our locality/ our school          | UK/Local area<br>UK/Coast<br>UK/ Town/ city/ Village   | The East Lancs<br>UK Discovery<br>Discovering Europe   | Mountains, Rivers and the water cycle- UK<br>Liverpool: A local city study<br>Sustainable Forestry- World countries  |
| Locality  |   | UK/Africa<br>UK/ Where does our food come from? Main countries.<br>UK/Local area<br>UK/Coast<br>UK/ Town/ city/ Village                              | The East Lancs<br>UK Discovery<br>Discovering Europe- Greece study<br>Extreme Earth- Italy study                             | Mountains, Rivers and the water cycle- UK<br>Oceans- why are they so important- countries near the oceans<br>Liverpool: A local city study<br>Sustainable Forestry- World countries  |
| Continent | Our beautiful world- the globe and basic world maps | UK/Africa<br>UK/ Where does our food come from? Main countries.  | Discovering Europe<br>Life across the Atlantic<br>North American Roadtrip<br>Extreme Earth                                   | Mountains, Rivers and the water cycle-<br>Oceans- why are they so important- countries near the oceans<br>Time zones Voyage of the Beagle<br>countries across the world<br>Sustainable Forestry- World countries<br>Global Caretakers- world countries                                     |
| Oceans    |   |  | Discovering Europe<br>UK Discovery<br>Life across the Atlantic<br>North American Roadtrip<br>Extreme Earth                   | Mountains, Rivers and the water cycle-<br>Oceans- why are they so important- countries near the oceans<br>Time zones Voyage of the Beagle<br>countries across the world<br>Sustainable Forestry- World countries   |

|                  |  |  |   |  |
|------------------|--|--|---|--|
| Capital Cities   | Our local area<br>Where the monarch lives                                  | UK/Africa<br>UK/Hot and Cold countries<br>UK/ Where does our food come from? Main countries.<br>UK/Local area<br>UK/Coast<br>UK/ Town/ city Village-city of London Study           | The East Lancs<br>UK Discovery<br>Discovering Europe<br>Life across the Atlantic<br>North American Roadtrip<br>Extreme Earth  | Mountains, Rivers and the water cycle- River settlements on European cities<br>Time zones Voyage of the Beagle<br>countries across the world<br>Liverpool: A local city study<br>Global Caretakers- world countries  |
| Physical Feature | Observations of outside and seasons.<br>Basic physical: Fields/beaches etc | UK/Africa - Tanzania comparison<br>UK/Hot and Cold countries<br>UK/ Where does our food come from? Main countries.<br>UK/Local area<br>UK/Coast                                    | The East Lancs<br>UK Discovery<br>Discovering Europe<br>Life across the Atlantic<br>North American Road Trip<br>Extreme Earth | Mountains, Rivers and the water cycle- UK<br>Oceans- why are they so important- countries near the oceans<br>Time zones Voyage of the Beagle<br>countries across the world<br>Liverpool: A local city study<br>Sustainable Forestry- World countries<br>Global Caretakers- world countries |
| Human            | Shops<br>Homes and building  | UK/ Town/ city Village-city of London Study  |   |  |
| Seasons          | Weather patterns and seasons   | UK/Africa - Tanzania comparison<br>UK/Hot and Cold countries<br>UK/ Where does our food come from? Main countries.<br>UK/Local area  | UK Discovery<br>Extreme Earth<br>Life Across the Atlantic<br>Discovering Europe   | Mountains, Rivers and the water cycle- UK<br>Time zones Voyage of the Beagle<br>countries across the world<br>Liverpool: A local city study<br>Sustainable Forestry- World countries<br>Global Caretakers- world countries   |
| Weather          |  | UK/Africa - Tanzania comparison<br>UK/Hot and Cold countries<br>UK/ Where does our food come from? Main countries.<br>UK/Local area<br>UK/ Town/ city Village-city of London Study |   |  |
| environment      |  |  | The East Lancs<br>UK Discovery<br>Discovering Europe<br>Life across the Atlantic<br>North American Roadtrip<br>Extreme Earth  | Mountains, Rivers and the water cycle- UK<br>Oceans- why are they so important- countries near the oceans<br>Time zones Voyage of the Beagle<br>countries across the world<br>Sustainable Forestry- World countries<br>Global Caretakers- world countries                                  |
| Climate zone     |  |  | Life across the Atlantic<br>North American Roadtrip<br>Extreme Earth<br>UK Discovery<br>Discovering Europe                    | Mountains, Rivers and the water cycle- UK<br>Oceans- why are they so important- countries near the oceans  |

|                 |                                     |   |  |   |
|-----------------|-------------------------------------|---|--|---|
| Vegetation belt | Growing plants<br>Plants in seasons | UK/Africa - Tanzania comparison<br>UK/Hot and Cold countries<br>UK/ Where does our food come from? Main countries.  | Extreme Earth<br>Life across the Atlantic<br>UK Discovery<br>Discovering Europe  | Time zones Voyage of the Beagle<br>countries across the world<br>Sustainable Forestry- World countries<br>Global Caretakers- world countries  |
| Settlement      | My house/ where I live              | UK/Africa - Tanzania comparison<br>UK/Local area<br>UK/Coast<br>UK/ Town/ city Village- city of London Study  | The East Lancs<br>UK Discovery<br>Discovering Europe<br>Life across the Atlantic<br>North American Roadtrip<br>Extreme Earth | Mountains, Rivers and the water cycle- UK<br>Liverpool: A local city study<br>Sustainable Forestry- World countries   |
| Biomes          | Where animals live                  | UK/Africa - Tanzania comparison<br>UK/ Where does our food come from? Main countries<br>UK/Hot and Cold countries   | UK Discovery<br>Discovering Europe<br>Life across the Atlantic<br>North American Roadtrip<br>Extreme Earth                   | Mountains, Rivers and the water cycle- UK<br>Oceans- why are they so important- countries near the oceans<br>Time zones Voyage of the Beagle<br>countries across the world<br>Sustainable Forestry- World countries<br>Global Caretakers- world countries |
| Land use        | Different areas of the school       | UK/Africa - Tanzania comparison<br>UK/ Where does our food come from? Main countries<br>UK/Local area<br>UK/Coast<br>UK/ Town/ city Village- city of London Study | The East Lancs<br>UK Discovery<br>Discovering Europe<br>Life across the Atlantic<br>North American Roadtrip<br>Extreme Earth | Mountains, Rivers and the water cycle- UK<br>Oceans- why are they so important- countries near the oceans<br>Liverpool: A local city study<br>Sustainable Forestry- World countries<br>Global Caretakers- world countries                                 |
| Economic        | Shops                               | UK/ Where does our food come from? Main countries   | The East Lancs<br>UK Discovery<br>Discovering Europe<br>Life across the Atlantic<br>North American Roadtrip                  | Liverpool: A local city study<br>Sustainable Forestry- World countries<br>Global Caretakers- world countries  |
