

## Red Words in Storybooks: progression chart

### Key

- Newly-introduced Red Words are listed in *black*
- Red Words that have appeared in an earlier Storybook are in *grey*
- Red Words with an asterisk next to them are 'red for a while' words, i.e. red until the tricky grapheme is taught as a Speed Sound.

Please note that the Red Words that you'll need for each storybook are also listed in the **Teaching Notes** in the teaching handbooks, under the heading: **Teacher's Preparation**. There is also a list of Red Words with circled graphemes in the teaching handbooks (p.238 in *Phonics Handbook 1* and p.242 in *Phonics Handbook 2*).
