

Maths

Counting activity- Count in 5's, 2's and 10's. Don't forget you could use Jack Hartmann videos.

1. Use your clock from yesterday to practise quarter past and quarter to times with an adult.
2. Revisit the game from yesterday. Try to challenge yourself a little more today and select level 3.
3. Twinkl Go activities- o'clock and time puzzle games.

Enter this code to the TwinklGo login page- AW6085

Reading

Log into Classroom Secrets Kids and complete a reading comprehension activity for your year group. Select your year group and 'reading/ phonics' to find the activity below.

Year 1- Phase 4 tricky word matching game

Year 2- Darwin's Surprise

Spelling

Read and learn these words, putting them into sentences.

'hold, Mr, poor, who any'

English

This week we have been reading 'Tiger's Discovery' on Oxford Owl.

Write about a time where you have helped someone at school just like Tiger did in the story.

You can complete this in your home learning book- It would be lovely to if you illustrated your writing with a picture!

Creative Activity (Optional)

Make paper aeroplanes and have a race with someone in your house.
