

## Make your own clock

1. Cut out all things needed.
2. Stick numbers in the correct place.
3. Stick numbers face onto the vocab face.
4. Use the split pin to fasten the hands to the face.
5. When confident, cover up the vocab words.
6. When getting questions correct 90% of the time, write on the rest of the vocab needed e.g. 5 past, 10 to.

half past

1	2	4
5	7	8
10	11
