

### Maths

Counting activity- Count in 10s orally from 13.

Copy and answer the arithmetic test from the class page into your book. Remember to show your working out.

(Test can be found attached in a separate link- please only use page 3 to check the answers once you have attempted the test)

### Reading

Log into 'Oxford Owl' and read 'Tigers Discovery' off the bookshelf (age 6-7). Complete the online activities and then summarise the story in your own words in your home learning book.

### Spelling

Read and learn these words, putting them into sentences.

**After, child, every, half, move**

### English

Log into classroom secrets using the details provided. Click the '**Year 2**' tab and select '**GPS**'. Find the game entitled '**Year 2 Spring revision set 1**' and work through the activities.

**Copy** the following sentences into your book and **add** the correct conjunction (**because, and, until, so**).

*Sam felt sick \_\_\_\_\_ he ate too much chocolate.*

*Amy wanted to play outside \_\_\_\_\_ it was raining.*

*Sarah was bored \_\_\_\_\_ she rang her friend.*

*Fred watched TV \_\_\_\_\_ it was bedtime.*

### Creative Activity (optional)

Build a rocket ship out of anything you can find in your house. You could use toys such as Lego or junk modelling materials.
