

## Maths

**Starter activity** – Watch 10x table song <https://www.youtube.com/watch?v=k14Mt4paRNA>  
Recite to your parent until no mistakes have been made.

**Measurement** – Today we are going to look at measurements of length. Login to classroom secrets and look for the 'Year 2 Ordering Lengths' and 'Year 2 Spring Block 5 Step 1 Measure Length cm' activities.

Next, choose 10 things around your house to measure and record in your books (use the 15cm ruler below to help measure small objects if you do not have a ruler/tape measure).

Then, use the more than, equal to, less than signs ( $>$   $=$   $<$ ) to write 6 sentences from your facts found e.g. 8cm  $<$  12cm (pencil 8cm measures less than the shoe 12cm).

**Final activity** – Login and do 20 mins of Times Table Rockstars

## Reading

Log into **Reading Plus** and complete **2 lessons**.

If you do not access Reading Plus in school log into **Phonics Play** and complete '**grab a giggling grapheme**' and '**reading robot**' at **phase 3** level.

*Don't forget to read a bedtime story tonight.*

## Spelling

Read and learn these words. Say them out loud to an adult. Put each word into a sentence in your home learning book.

**father, kind, only, should, because**

## English

**Revisit our Oxford Owl story from yesterday.**

Pretend to be either Cat or Tiger from the book. Write a recount of what happened through the day in your home learning book.

Think about what happened through the day in chronological order.

Use conjunctions to link and extend sentences.

Think about how you might feel at each stage of the day.

How might you move whilst searching for the chicken?

What you might have said to your friends?

**Don't forget** we want to see beautiful handwriting, finger spaces, full stops and capital letters.

## Creative Activity (optional)

Make a sock puppet with someone and act out a little play to show to people.
