

Easter activities to choose from!

English

Imagination Time!

Write me a story about yourself going on an EGG-cellent adventure.

Where will you go?

Is it magical?

Who will you go with or meet?

Draw a picture at the end to illustrate your story.

During the Easter Holidays we still need to keep practising our learning so choose an activity a day from below to do in your book.

Treasure Hunt

Organise a treasure hunt around your house for the rest of your family to enjoy.

Reading Plus/ Phonics Play/ TT Rockstars

Please continue with doing 2 lessons a week of each of the above (where applicable) to keep all your key skills fresh.

PE

Organise an obstacle course around your house and garden. Can you add challenges everyone needs to work out along the way?

D&T

Where do you think the Easter Bunny lives? Create your own Easter Land using anything from around the house.

Music/English

Write and perform your own Easter song or poem. We would love to see them so message them to us on our Facebook page.

English

Write a hand written letter to a friend. See how they are doing and explain what you have been up to with your family. Go on a walk and post it.

Stay Home! Stay Safe!
