

Maths

Counting Activity- Ask someone to time you for one minute. In this time write down as many number bonds to 10 as you can.

Arithmetic- Please complete the arithmetic test uploaded to our class page. Only look at page 3 when you have completed the test to check your answers. Remember to show any working out and that it is ok to make mistakes!

To finish log into your '**TRockstars**' account and practise your timestables for 10 minutes.

Reading

Hopefully whilst you have been at home you will have read many different stories. Tell us which has been your favourite and why, you may wish to include a picture of your favourite book too.

Spelling

Read and learn these words, putting them into sentences.

**'could, would, should,
when, was'**

English

Log into **Classroom Secrets Kids** and find the activity 'Question or not a question' in the 'Year 1' section 'GPS'. Work through the activities and then copy the sentences below into your home learning book adding the correct punctuation mark (. or ! or ?)

What is your favourite colour

I have three rabbits

Come here now

Is your name Ben

Challenge: Write a question that you would like to ask your teacher? Check back to see if you get a response on Seesaw!

Creative activity (optional)

Log into Seesaw and add a journal post. You could draw a picture using the journal page or add a photograph of something you have done over the Easter break.
