

## Maths

**Counting Activity-** Recall as many number bonds to 10 as you can in 60 seconds.

**Addition** – Today we will have a look at what we need to do when regrouping is needed to add 2 2-digit numbers together. There is a good tutorial video called '**Adding 2- digit numbers with exchanging tutorial video**' on **Classroom secret kids** under the year 2 maths section.

Once you have watched the video try to complete some of the questions below.

## Reading

Reread the poem 'Fly' from the Oxford Owl book 'Minibeast poems' and answer the following questions in your home learning book.

1. *What did the fly nibble?*
2. *What did the fly do to the child's lemonade?*
3. *Do you think the child likes the fly, why?*
4. *Who does the child tell the fly to go and annoy?*
5. *What is the name of the poet who wrote 'Fly'?*

## Spelling

Read and learn these words, putting them into sentences.

**'great, most, people, water'**

## English

Pretend to be the little girl in the poem 'Fly'. Write a diary entry about her trip to the park. Think about how she may **feel**, how she might **move** when the fly is annoying her, what she might **eat** from her picnic basket, who she might meet.

Think about what you like to do at the park and be as creative as you like!

**Don't forget-** we are looking for beautiful handwriting, full stops and capital letters.

Your diary **MUST** start with Dear Diary and I would be very impressed if you could use an exclamation mark.

**Don't forget to access the whole school creative project**

**#Lockdown life using Seesaw. Add your submissions to your journal page.**
