

#teamcarmill NEWS

Poppy merchandise will be available to purchase from Monday 5th October 2020.

Each bubble within school will have their own supply. Please note you **will not** be able to purchase any items from the school office.

As the children will place their coins directly in to the collection tins, please send the correct money in to school with your child as no change will be available. Due to the current circumstances the office **will not** be able to take money to be passed to your child/ren's class.
